HOW TO SAVE TRAVEL DOLLARS

By Lorraine Lavender, CTC

ALWAYS CALL YOUR LOCAL TRAVEL AGENT

If you're not using a travel expert it's a good bet that — you're losing money!!!

Just like a good broker, a good travel agent helps you to make wise investments with your travel dollars. A good travel agent can save you money and take the frustration out of trying to make reservations. Most people call the airlines directly because most people believe travel agents charge a fee. In most cases, there is no charge for my service. Now where in this world can you get expert advice free???

Did you know that the object of any airline is to sell their services? So ABC Airline will not tell you about XYZ's Services and it's a good bet that you will end up spending more money and still not have the exact trip you want. I have all airlines, hotels, and car rental companies at my disposal. In fact you could say, I have the whole world at my finger tips.

Next time you get ready to travel, whether it be just a round trip ticket to anywhere U.S.A. or a trip around the world, whether you're going by bus, train, air, or ship, staying just one day, going for business or pleasure or even when an emergency calls, pick up your telephone and call Lorraine Lavender, CTC - 743-4222 or 675-1496 your travel expert.

Put yourself in capable hands and we at Aries Travel can give you the whole world or any part. Call an expert first!!

NAMES IN THE NEWS.....

A big wedding was scheduled the past Saturday for **Sen. Wynona Lipman's** daughter at Sacred Heart Cathedral but the event was called off, no reason given... **Judge Earnest Booker** of East Orange took a bride that same day, a number of socialites attending including **Corrina Kay Williams and Clinton Williams**. **Rev. Jesse Jackson** toasted Mayor Kenneth Gibson at his introduction at Black Issues Convention banquet Saturday night in Somerset. Jackson recalled meeting with Gibson and three other black mayors before Gibson's first election and advising him to let his hair grow and wear longer pants.

Gibson, on the dais at that same dinner denies a rumor that he was leaning to the "Democrats for Kean" movement. "I am a Democrat and will support all Democrats," he said. "Such a report is false." The Dems for Kean is led by **Earl Harris**, foe of Gibson in the 1982 Newark Mayor race. Many wondered at that historic dinner whom the girl in red was who sat beside Rev. Jackson. It was **Cleopatra Tucker**, the beautiful wife of Black Issues chairman, **Councilman Donald Tucker**.

Tucker ruled that members of the press not be seated at this dinner and the Youth Luncheon earlier in the day. There was protest at both affairs, although at the luncheon the press was finally seated. But not at the dinner where fotogs and writers stood around or else occupied seats of paying guests when the guests left the hall on errands. The press abandoned such fleeting seats when the guests returned. The Jackson banquet cost \$45 a head and oversold, 1000 attending.

Jonathan Blount was at the dinner, boasting of his recent prosperita with a new Mercedes car and a N.Y. penthouse with gold china wear and crystal wear... **Carl Brinson** better known as Tiny Prince controls 3 successful enterprises, was on hand for two days, remaining in the background. Afro salesman **Toni Baskerville** dropped in selling a number of papers, then leaving. Newsgirl **Debbie**

Smith covered two days and nights action, including an interview with Jesse Jackson. **Cissy Houston** won a standing ovation for her dramatic religious solo at the Jackson dinner.

Larrie West Stalks did not attend the dinner because she was in distant Cape May, being sworn in as president of the N.J. Register Association of Officers by Superior Court Judge Betty Lester. Larrie was honored on her return by **Peter Shapiro** and friends at Essex County College on September 19.

Intervention of the Black Issues combine has produced black executives and staff at the Somerset Hilton, the black maitre d' being Stewart Smith...

The growing need for adequate exposure of existing Black-owned enterprises in the New Jersey-New York area, both to Black and White consumers.

Bridging the "exposure gap" between Black-owned enterprises and big business.

Dealing with one of the severe causes of limited business success among many Black-owned enterprises located in New Jersey & New York.

Creating a unique medium to serve the inner and outer communities through an increasing consumer awareness of broad range of products and services by Black-owned businesses.

Opportunities for widening the market ability of goods and services offered by Black-owned businesses, at a level of exposure unavailable anywhere else at comparable costs.

Providing a continuing service annually to the minority business community; increasing awareness of the values of minority contributions in products and services for the economic growth of our cities.

A meaningful step toward the reality of economic development among minorities.

A greater knowledge, locally and nationally, of the important role which Blacks and other minorities play in the life of our communities, our city and the country as a whole.
